1. **Discuss and/or Act on Approval of Engineering Proposal for Trailhead and Other Recreational Projects:** Mayor Felton explained that eight engineering firms had originally submitted proposals, and these were narrowed down to three that the Select Committee interviewed today. The firms interviewed were Destination by Design, E. L. Robinson, and The Thrasher Group. All three of the firms were very capable, but the Committee ultimately selected the Thrasher Group due to their ability to coordinate the trailhead, streetscape, and other recreational projects with all the other water and sewer improvements that are being performed. The Town needs to have 30-60% of the drawings completed by the end of this calendar year so preliminary designs can be submitted for an ARC Grant application.

- Scott Gibb moved that the Town accept the Select Committee's recommendation and hire The Thrasher Group for the trailhead and other recreational projects. Tom Miller seconded the motion. **The motion passed unanimously.**

Adjournment: As there was no further business, the Mayor adjourned the meeting at 5:01 p.m.
